

1 Voici le texte de l'histoire que nous avons inventé en classe :

*[Student A trouve un renne blessé dans la rue.]*

Student A: Oh! Poor little thing! Come on! Let's go to the vet!

*[Elle l'emmène chez le vétérinaire.]*

*[Dans la salle d'attente, Student C est assise.]*

Student A: Good afternoon!

Student C: Good afternoon!

Student A: Do you have any pets?

Student C: Yes.

Student A: How many?

Student C : I have 1 dog, 2 cats and a rabbit.

Student A: Wow! You're lucky!

*[Student B, la vétérinaire, ouvre la porte.]*

Student B: Who's turn is it?

Student A: Mine! *[à Student C]* Goodbye!

*[Student B examine le renne.]*

Student B: I'm sorry but we have to cut his leg...

Student A: What???

Student B: I'm joking, he just has a needle in his paw. Here! It's gone!

Student A: Oh! Thank you!

*[Student A sort.]*
