

At school

1 Voici le texte de l'histoire que nous avons inventée en classe :

Turtle: Open your book p.24, read the text and write the answer to the question.

Pig: Yeah ! I love reading and writing !

Lion: Oh no ! I hate reading and writing ! That's too boring ! Don't you agree with me ?

Squirrel: I don't know...

Turtle: Sometimes, we have to do boring things so chop ! chop ! Get to work !

Lion: You're a big, fat old lady !

Turtle: Excuse me ? Can you repeat what you just said please ?

Lion: You're a big, fat old lady !

Pig: I don't think she's big and fat and old. I think she's kind and pretty. Don't you agree with me ?

Squirrel: I don't know...

Turtle: Ok. That's it. Take your notebook and your pencil case, you'll do your work in the playground !

Squirrel: Do you want me to help you and then we can play ?

Lion: Yes, thanks Squirrel. You're a very good friend !

Pig: Yes ! He's shy but he's a very good friend ! I like him very much !
