

Soustraction jusqu' à 10:
Soustraire en utilisant les compléments à 10

1

Utilise les compléments à 10 pour écrire le résultat de ces soustractions.

+

=

10

$4 + \square = 10$

$10 - 4 = \square$

+

=

10

$2 + \square = 10$

$10 - 2 = \square$

+

=

10

$1 + \square = 10$

$10 - 1 = \square$

+

=

10

$3 + \square = 10$

$10 - 3 = \square$

2

Complète les soustractions en faisant des bonds sur la bande.

$10 - 6 = \square$

+

$10 - 8 = \square$
